

Rules of the Race

Night at the Races is a fundraiser to benefit Heavenly Gaits Therapeutic Riding Center, Inc. The event is open to adults only please; no one under 21 will be allowed. Only 200 tickets will be sold to this event. Horses must be purchased before April 25, 2020

What is Night at the Races?

Night at the Races is an event where the fun and excitement of thoroughbred horse racing is delivered to you in the form of high quality, professional video and emceed live at the event. Join the excitement of cheering your favorites on to the finish line! Attendees bet on their favorites of each race to win with payoffs. Bets are in \$2 increments. The racing lineup includes 10 races with 12 horses each, followed by an 11th auction race. For the first 10 races, horses may be owned if purchased before the event date. Horses are \$10 each, and the owners are recognized in the program. Each horse is randomly assigned to one of the 10 races and to a post position. The owners of the winning horses win \$25. You can purchase horses without attending the event. The 11th auction race is an opportunity to buy and name a horse, and each horse is sold to the highest bidder. The owner of the winning horse for this race receives half the proceeds from the race!

What does Night at the Races cost?

This is a fund-raiser for Heavenly Gaits TRC and each ticket is only \$20 for pre-sale. The ticket includes admission to the event, one horse, dinner and refreshments. Throughout the night, there will be small games of chance, baskets and a 50/50 raffle. We hope you enjoy Night at the Races!

You may bring your own beverages. Alcohol is allowed.
